

SPECIAL JURY TO TRY BURNHAM

But Attorney Says Insurance
President Is Too Ill to
Be Tried

When Assistant District Attorney Nott applied today for a special jury to try President Frederick A. Burnham, of the Mutual Reserve Fund Association, indicted for larceny and perjury with his brother, George Burnham, Jr., attorney for the company, who is now in Sing Sing, he told Justice Blaisdell that because he was a policyholder in the company Justice Blaisdell, to whom the application would be made in the Criminal Branch of the Supreme Court, had ordered that it be made in Special Term. Mr. Nott said the trial of George Burnham on a similar indictment had been given wide publicity, hence a special panel was desirable.

William Rand, Jr., counsel for Burnham, opposing the application, said he agreed that when President Burnham is tried it should be by a special jury, but he offered the application because President Burnham is a very sick man, and also because the appeal in behalf of George Burnham, Jr., a case almost similar, would be heard in the Appellate Division, May 7, and the trial of Frederick A. Burnham ought to wait until the decision in that case.

"Frederick A. Burnham is suffering from an attack of acute diabetes," said Mr. Rand, "and is now in a state of collapse. You can't try a man who is too ill to come to court."

"The special jury will not be called until May 12," replied Mr. Nott. "By that time Mr. Burnham may have recovered. I have known him to be very ill and to have a quick recovery."

Justice O'Gorman granted the application for a special jury, saying it was for Justice Greenbaum, who will sit in the Criminal Branch to try Burnham, to decide whether Burnham is too ill to stand trial.

CRIF FOR HIS SON CAUSES SUICIDE

Julius Bahr Had Been Under
Doctor's Care Since
Boy's Death.

Grieving over the death of his favorite son, Julius Bahr, a wealthy retired butcher, went into the basement of his residence at No. 206 Powers street, Brooklyn, to-day, and hanged himself. His body was found several hours later by his son, Leo, thirteen years old. The coroner was notified of the suicide by phone, but the police heard nothing of it until late in the day.

Since his retirement from active business two years ago, Bahr had been devoted to his oldest son, Ferdinand, aged fifteen. The boy was a gifted violinist and, as the father was fond of music, the two spent much of their leisure together. Bahr gave little time or attention to his three other children, because they could not be interested in music.

Two weeks ago Ferdinand, who was employed in a bank in Grand street, fell ill with pneumonia. He lived only two days and the father was so prostrated over the boy's death that he had to be placed under the physician's care.

When the family gathered at breakfast to-day Bahr was nowhere to be found. But little was thought of it as he was in the habit of taking early morning walks. Later the boy Leo happened to go to the basement and found the body.

MRS. GEORGE GOULD TO RETURN TO STAGE.

Will Be for Two Performances for
Charity at Waldorf-
Astoria.

On her return from Europe Mrs. George J. Gould will go back to the stage to take part in two performances for charity in the grand ballroom of the

Waldorf-Astoria. She will appear once with John Drew. It is said, Mrs. Gould was, as Miss Edith Kingston, a member of Augustin Daly's stock company at Daly's Theatre before her marriage, and five years ago she gave an entertainment at Georgian Court, the Gould place at Lakewood, her first bit of acting since her retirement.

The date of the Waldorf-Astoria plays will be fixed later, but it is known now that they will be during the latter part of November, a week or so after the opening of the Metropolitan Opera House, which will be on Nov. 18. The season at the Manhattan will begin two weeks earlier.

Mrs. Gould will appear in comedies, according to report. There will also be a series of tableaux vivants in which will be seen a number of the most beautiful society women of the city. Society will be in the height of its early season and a goodly sum for the benefit of the Lina Day Nursery is expected to be realized.

Mr. Hair Health

RESTORES your HAIR to its NATURAL COLOR.

"My hair had been gray ever since I was sixteen years old. It started to get gray right on the crown of my head. Was dry and full of dandruff, and my scalp itched dreadfully. I used HAZELWOOD, and in a few days my hair was new, soft and glossy, and very few gray hairs left. I am now thirty-five years old, and my hair is as young as when I was sixteen. Guaranteed perfectly pure. Write for free sample. S. J. W. Phila-Har Spec. Co. New York, N. Y. 50c. AT DRUGGISTS."

Be Sure to Get What You Ask For.

There is a Reason—
Why the Good People of America buy Cascarets as Fast as the Clock Ticks.

Every second some one, somewhere, is buying a little Ten-Cent Box of Cascarets, 1, 2, 3, 4, 5, 6—60 times to the Minute, 60 Minutes to the Hour, 3600 Boxes an Hour, 36,000 Boxes a Day of Ten Hours, 1,000,000 Boxes a Month, and then some.

Think of it—220,000 People take a Cascaret tablet each day. Millions use Cascarets when necessary.

The Judgment of Millions of Bright Americans is Infallible. They have been Buying and Taking Cascarets at that rate for over Six Years.

Over Five Millions of Dollars Have Been Spent to make the merits of Cascarets known, and every cent of it would be lost, did not sound merit claim and hold the constant, continued friendship, Patronage and Endorsement of well-pleased people year after year.

There is also a Reason—
Why there are Parasites who attach themselves to the Healthy Body of Cascarets success—Imitators, Counterfeiters, Substitutes.

They are Trade Thieves who would rob Cascarets of the "Good Will" of the people, and sneak unearned profits, earned and paid for by Cascarets.

A Dishonest Purpose means a Dishonest Product and a Disregard of the Purchaser's Health or Welfare.

Beware of the Slick Salesman and his ancient "Just as Good" story that common sense refutes.

Cascarets are made only by the Sterling Remedy Company, and put up in metal box with the "long-tailed C" on the cover. They are never sold in bulk.

Every tablet marked "CCC."

Be sure you get the genuine.
